D2L - News
(For announcements)

- Remind students of important events/assignment due dates / other reminders etc.
- Set D2L to **automatically** display the news items at a specified time on a specific day
  - Set release date and time
- *If you wish to reuse the same announcements*, remember to **UNCHECK** the box
  - 'Always show start date'
- **Personalize** the news items
  - Greetings, {firstname} **Or** Welcome, {firstname}
- Release the news item conditionally – when a student completes an assignment etc.

Welcome, Alex ⌄   ×

Greetings, Alex.
Welcome to the Online Teaching self-paced course. Please click on the Content tab >
Overview for more details and instructions.

Week 1: Assignment ⌄   ×

Alex,
Thank you for submitting your Week 1: Assignment to the Turnitin enabled Dropbox.
I look forward to reviewing and provide feedback if any. If not, I will submit the grade for the assignment.
Andy
