

D2L - Quiz Accommodations

if you have a student who needs more time to complete quizzes/exams

Grant extra time, with a few clicks, to complete all quizzes to a specific student

- instead of granting it for each quiz separately

Allow:

- more time to complete quizzes at the course level
- the ability to bypass right-click restrictions in quizzes

Resources > *Classlist* > Dropdown menu of the specific student > *Edit Accommodations*

A screenshot of the D2L Classlist interface. At the top, there are navigation links: Email, Page, Print, Enroll, and View blog. Below these is a table with columns for checkboxes, Image, Last Name, and First Name. The 'Edit Accommodations' link is highlighted with a red box. A dropdown arrow is also highlighted with a red box, with red arrows pointing to it from the left and right.

A screenshot of the 'Edit Accommodations' form for Laura Green. The form includes a profile picture and name, a 'Quizzes' dropdown menu, and sections for 'Timing' and 'Controls'. Under 'Timing', the 'Modify Time Limit' checkbox is checked, and the 'Multiplier of original quiz time' is set to 1. The 'Extra time' is set to 30 minutes. Under 'Controls', the 'Always Allow Right Click' checkbox is unchecked. There are 'Save' and 'Cancel' buttons at the bottom.
