Personalize D2L Course

Address students by name to draw attention, make them feel connected to create a sense of learning community.

- 🐝 Address students by their first, last, or full name
- 🐝 Available only in the
  - News, Module descriptions, Discussions, Dropbox, & Quizzes
  - *Does not work in D2L email*
- 🐝 Along with the text use 'replace strings' to add a student's first, last, or full name
  - Use {firstname} or {lastname} or a combination of {firstname} {lastname}

Examples:
- 🐝 Welcome {lastname},
- 🐝 Greetings {firstname},
- 🐝 Hello {firstname} {lastname},

Welcome, Alex ⌄ ←   ×

Greetings, Alex.
Welcome to the Online Teaching self-paced course. Please click on the Content tab > Overview for more details and instructions.

Week 1: Assignment ⌄   ×

Alex, ←
Thank you for submitting your Week 1: Assignment to the Turntin enabled Dropbox.
I look forward to reviewing and provide feedback if any. If not, I will submit the grade for the assignment.
