

Discussions Online

-  Assists students to engage in active and collaborative learning environment
-  Allows asynchronous interaction between students & the instructor
-  Students can
 - interact with the course material & one another
 - learn from each other as they share their ideas and experiences
-  Use for **Reflection, Interpretation, Analysis, Problem-solving, Thought provoking, Real-life, Personal opinion** etc. type of assessment
 - *Try 'Aha Moment' discussion (5 points) for students to 'Reflect' each week and respond to others where other students can learn from their classmates' aha moments*
-  Avoid questions with Yes/No responses, Facts, Regurgitation from textbook, compound questions etc.

Week 2: How much has changed? ▼

90 posts from 23 students in one week

How much do you think has changed in sentencing policy over the years? Give examples and support them with peer reviewed articles from your library database
