

D2L - Discuss - Easier to Grade

Associate either a grade item &/or a rubric to make it easier to grade and provide feedback on the same page at the same time

The screenshot shows the D2L Discuss interface for a discussion titled "Discussion 1 - Quality Assurance Standards". The main content area displays a list of discussion posts. The first post, titled "Initial Response", is selected. The right sidebar shows the "Discussion Rubric - Initial Response" with a score of 4.99 / 4.99 and a level achieved of "Excellent". Below this, the "Create Grade" section shows a score of 4.99 / 5. The "Create Feedback" section provides a text area for feedback. Red arrows point to the "Rubric", "Create Grade", and "Create Feedback" sections in the sidebar. A black arrow points to the "Back to Access Topic" link in the top left corner. Another black arrow points to the "Discussion 1 - Quality Assurance Standards" link in the top left corner. A third black arrow points to the "Initial Response" link in the top left corner. A fourth black arrow points to the "Initial Response" link in the top left corner. A fifth black arrow points to the "Initial Response" link in the top left corner. A sixth black arrow points to the "Initial Response" link in the top left corner. A seventh black arrow points to the "Initial Response" link in the top left corner. An eighth black arrow points to the "Initial Response" link in the top left corner. A ninth black arrow points to the "Initial Response" link in the top left corner. A tenth black arrow points to the "Initial Response" link in the top left corner. A eleventh black arrow points to the "Initial Response" link in the top left corner. A twelfth black arrow points to the "Initial Response" link in the top left corner. A thirteenth black arrow points to the "Initial Response" link in the top left corner. A fourteenth black arrow points to the "Initial Response" link in the top left corner. A fifteenth black arrow points to the "Initial Response" link in the top left corner. A sixteenth black arrow points to the "Initial Response" link in the top left corner. A seventeenth black arrow points to the "Initial Response" link in the top left corner. An eighteenth black arrow points to the "Initial Response" link in the top left corner. A nineteenth black arrow points to the "Initial Response" link in the top left corner. A twentieth black arrow points to the "Initial Response" link in the top left corner. A twenty-first black arrow points to the "Initial Response" link in the top left corner. A twenty-second black arrow points to the "Initial Response" link in the top left corner. A twenty-third black arrow points to the "Initial Response" link in the top left corner. A twenty-fourth black arrow points to the "Initial Response" link in the top left corner. A twenty-fifth black arrow points to the "Initial Response" link in the top left corner. A twenty-sixth black arrow points to the "Initial Response" link in the top left corner. A twenty-seventh black arrow points to the "Initial Response" link in the top left corner. A twenty-eighth black arrow points to the "Initial Response" link in the top left corner. A twenty-ninth black arrow points to the "Initial Response" link in the top left corner. A thirtieth black arrow points to the "Initial Response" link in the top left corner. A thirty-first black arrow points to the "Initial Response" link in the top left corner. A thirty-second black arrow points to the "Initial Response" link in the top left corner. A thirty-third black arrow points to the "Initial Response" link in the top left corner. A thirty-fourth black arrow points to the "Initial Response" link in the top left corner. A thirty-fifth black arrow points to the "Initial Response" link in the top left corner. A thirty-sixth black arrow points to the "Initial Response" link in the top left corner. A thirty-seventh black arrow points to the "Initial Response" link in the top left corner. A thirty-eighth black arrow points to the "Initial Response" link in the top left corner. A thirty-ninth black arrow points to the "Initial Response" link in the top left corner. A fortieth black arrow points to the "Initial Response" link in the top left corner. A forty-first black arrow points to the "Initial Response" link in the top left corner. A forty-second black arrow points to the "Initial Response" link in the top left corner. A forty-third black arrow points to the "Initial Response" link in the top left corner. A forty-fourth black arrow points to the "Initial Response" link in the top left corner. A forty-fifth black arrow points to the "Initial Response" link in the top left corner. A forty-sixth black arrow points to the "Initial Response" link in the top left corner. A forty-seventh black arrow points to the "Initial Response" link in the top left corner. A forty-eighth black arrow points to the "Initial Response" link in the top left corner. A forty-ninth black arrow points to the "Initial Response" link in the top left corner. A fiftieth black arrow points to the "Initial Response" link in the top left corner. A fifty-first black arrow points to the "Initial Response" link in the top left corner. A fifty-second black arrow points to the "Initial Response" link in the top left corner. A fifty-third black arrow points to the "Initial Response" link in the top left corner. A fifty-fourth black arrow points to the "Initial Response" link in the top left corner. A fifty-fifth black arrow points to the "Initial Response" link in the top left corner. A fifty-sixth black arrow points to the "Initial Response" link in the top left corner. A fifty-seventh black arrow points to the "Initial Response" link in the top left corner. A fifty-eighth black arrow points to the "Initial Response" link in the top left corner. A fifty-ninth black arrow points to the "Initial Response" link in the top left corner. A sixtieth black arrow points to the "Initial Response" link in the top left corner. A sixty-first black arrow points to the "Initial Response" link in the top left corner. A sixty-second black arrow points to the "Initial Response" link in the top left corner. A sixty-third black arrow points to the "Initial Response" link in the top left corner. A sixty-fourth black arrow points to the "Initial Response" link in the top left corner. A sixty-fifth black arrow points to the "Initial Response" link in the top left corner. A sixty-sixth black arrow points to the "Initial Response" link in the top left corner. A sixty-seventh black arrow points to the "Initial Response" link in the top left corner. A sixty-eighth black arrow points to the "Initial Response" link in the top left corner. A sixty-ninth black arrow points to the "Initial Response" link in the top left corner. A seventieth black arrow points to the "Initial Response" link in the top left corner. A seventy-first black arrow points to the "Initial Response" link in the top left corner. A seventy-second black arrow points to the "Initial Response" link in the top left corner. A seventy-third black arrow points to the "Initial Response" link in the top left corner. A seventy-fourth black arrow points to the "Initial Response" link in the top left corner. A seventy-fifth black arrow points to the "Initial Response" link in the top left corner. A seventy-sixth black arrow points to the "Initial Response" link in the top left corner. A seventy-seventh black arrow points to the "Initial Response" link in the top left corner. A seventy-eighth black arrow points to the "Initial Response" link in the top left corner. A seventy-ninth black arrow points to the "Initial Response" link in the top left corner. An eightieth black arrow points to the "Initial Response" link in the top left corner. An eighty-first black arrow points to the "Initial Response" link in the top left corner. An eighty-second black arrow points to the "Initial Response" link in the top left corner. An eighty-third black arrow points to the "Initial Response" link in the top left corner. An eighty-fourth black arrow points to the "Initial Response" link in the top left corner. An eighty-fifth black arrow points to the "Initial Response" link in the top left corner. An eighty-sixth black arrow points to the "Initial Response" link in the top left corner. An eighty-seventh black arrow points to the "Initial Response" link in the top left corner. An eighty-eighth black arrow points to the "Initial Response" link in the top left corner. An eighty-ninth black arrow points to the "Initial Response" link in the top left corner. A ninetieth black arrow points to the "Initial Response" link in the top left corner. A ninety-first black arrow points to the "Initial Response" link in the top left corner. A ninety-second black arrow points to the "Initial Response" link in the top left corner. A ninety-third black arrow points to the "Initial Response" link in the top left corner. A ninety-fourth black arrow points to the "Initial Response" link in the top left corner. A ninety-fifth black arrow points to the "Initial Response" link in the top left corner. A ninety-sixth black arrow points to the "Initial Response" link in the top left corner. A ninety-seventh black arrow points to the "Initial Response" link in the top left corner. A ninety-eighth black arrow points to the "Initial Response" link in the top left corner. A ninety-ninth black arrow points to the "Initial Response" link in the top left corner. A hundredth black arrow points to the "Initial Response" link in the top left corner.
