### Evaluation & Feedback

☐ Auto-publish attempt results immediately upon completion

☒ Synchronize to grade book on pub

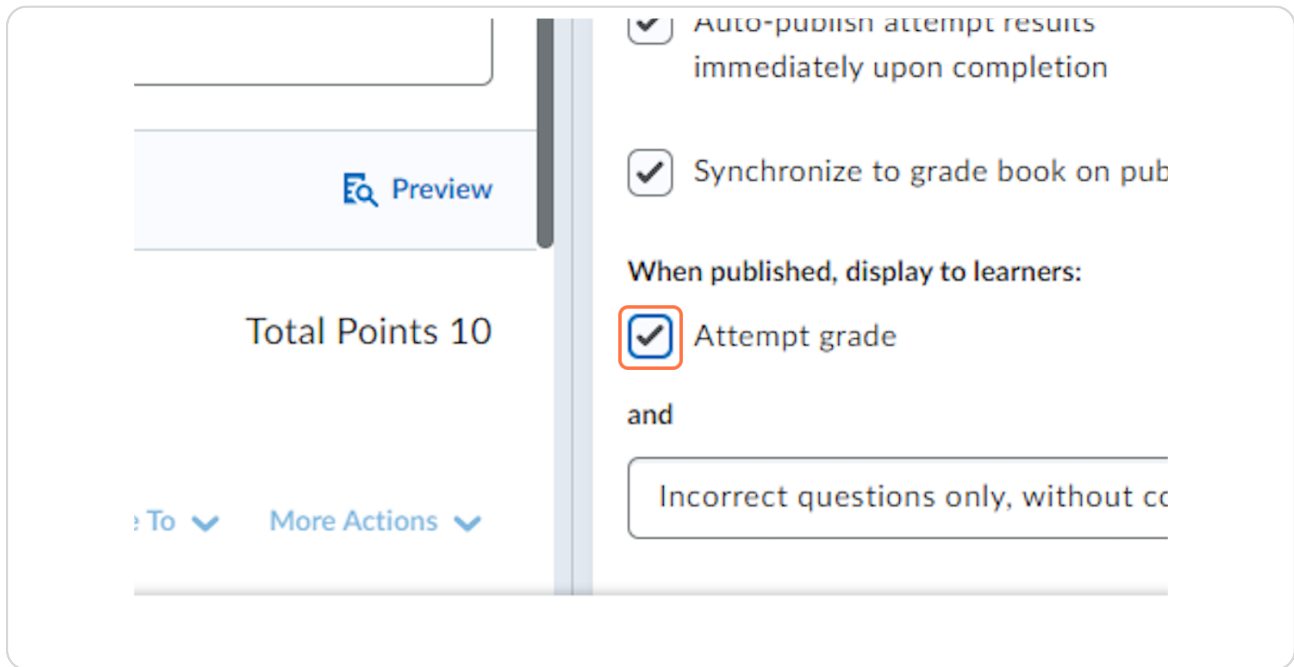

When published, display to learners:

☒ Attempt grade

and

## STEP 6

Check 'Attempt grade' for When published, display to learners:

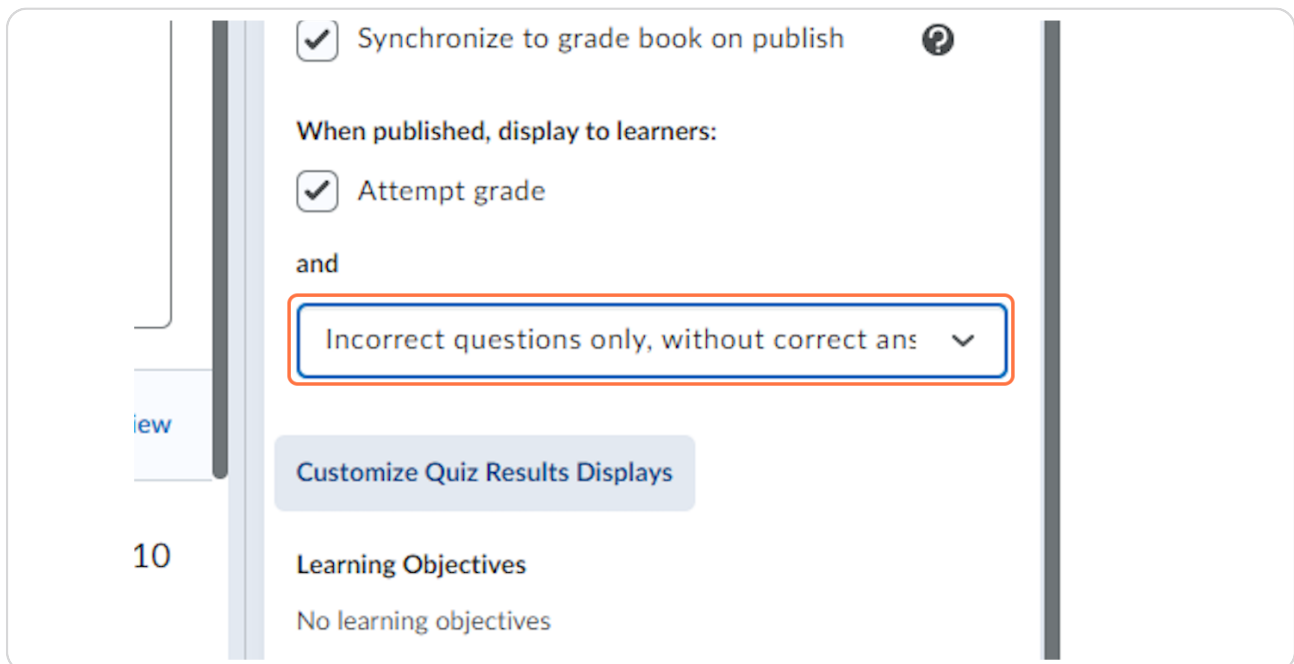

The screenshot shows a quiz configuration interface. On the left, there is a sidebar with a 'Preview' button and 'Total Points 10'. The main area on the right contains the following settings:

- ☒ Auto-publish attempt results immediately upon completion
- ☒ Synchronize to grade book on pub
- When published, display to learners:
  - ☒ Attempt grade
- and
- Incorrect questions only, without cc

## STEP 7

Select ONE of the options from the Drop-down menu

The screenshot shows the same quiz configuration interface as in Step 6. The 'When published, display to learners' section is expanded, and the drop-down menu is highlighted with a red box. The selected option is 'Incorrect questions only, without correct ans'.

When published, display to learners:

- ☒ Attempt grade

and

Incorrect questions only, without correct ans ▼
